Head Teachers Welcome

Welcome back—I hope everyone enjoyed the Christmas break. We welcome back Miss Drye to school, we know how pleased the children are to see her return.
 Thank you for all your understanding in the appalling conditions this week. Please remember to look at the website daily for updated information (www.hgsf.org.uk). We will be trying to keep school open as much as we can during the adverse weather. Unfortunately the closure due to the electricity problems was totally beyond our control. As usual for bad weather, if you arrive before 8.55 am, please take your children to the Hall. Please use the back gate and not the front door to avoid the steps. In order to conserve our stocks of grit if the bad weather continues we will be gritting to the old back door and then asking parents to come into school, walk down the corridor and out of the door nearest to the Hall in order to reach the Hall. Please follow the arrows and keep to the paths.

Contact Numbers

We have been using the new text service with great success this week with the closures. However it seems that some parents did not receive the information in the best way or to the best person. If you did not receive texts concerning the snow closure and the power closure or they went to the wrong contact point please come into the office to update your mobile phone details, as it is important that we manage to contact parents in the event of an emergency or whole school closure.

Open Morning—Saturday March 13th

- We have decided to hold our next Open Day event on a Saturday morning to enable us to show off our new facilities and all the work in the grounds at their best in daylight!
- We would like as many of the children as possible be in school that morning to get involved. Please can you put the date in your diaries now and, to assist with planning, let Form Teachers know if your child will definitely not be able to attend.

Bits and Bats

Miss Broadbent is still collecting materials for her Form 1 project—she is particularly looking for items made of foil e.g. ready meal type dishes, pie dishes etc or sheets of foil—if you have any please do bring them in.

GOOD LUCK to all those in Form 6 who are taking the Hipperholme Grammar Senior School entrance examination on Saturday.

KS2 PARENTS

Following on from the success of the one day Adventure Days last year we have arranged 'residential's for all KS2 children.

There will be a meeting about this for parents of children in Form 3, 4, 5 and 6 on Wednesday 3rd February at 7pm.
